

Clothe Me
by Larissa Lam

Take off my overcoat
Slip off my faded shoes
Hang up my weary soul
Pull off these heavy blues
Remove the specs from my eyes
Take off my tarnished suit
Unveil the shame I hide
Strip off my attitude

CHORUS:

Clothe me in Your righteousness
Cover me in nothing less
Clothe me with a humbleness
Clothe me in Your love

Wipe all my makeup off
Take down my hair
Undo each stubborn knot
Take off the pride I wear

CHORUS

Oh, clothe me in Your love
