

# Until the World Stops

## By Larissa Lam

Verse 1:

You ask the question I have no answer to  
I thought I was ready to devote my life to you  
I looked for a reason all I found was an excuse  
What this is telling me is I should turn and face the truth

Chorus:

I thought I knew what I had to do  
To make me finally happy  
But I can't really love you  
UNTIL THE WORLD STOPS revolving around me

Verse 2:

You say you only want the best for me  
I thought it would be enough to fully satisfy me  
What I desire may not be what I need  
I need to figure out exactly whom I'm trying to please

Chorus:

I thought I knew what I had to do  
To make me finally happy  
But I can't really love you  
UNTIL THE WORLD STOPS revolving around me
