

I'm Not by Larissa Lam

Verse 1

I'm not going to compromise
I'm not willing to sacrifice
Every ounce of my dignity to survive

I'm not trying to fit a mold
I'm not doing what I've been told
Movin' everything I believe aside

Chorus

Cuz, I'm not the kind of girl
To conform to this world
I will live the way that I believe is right
I won't mask who I am
And I hope you understand
At the end of the day I'm just trying to shed some light

Verse 2

I won't let ignorance bother me
I won't have anyone telling me
I don't have what it takes to succeed

I won't let negatives weigh me down
I won't let doubters just hang around
Knockin' the different path I choose to lead

Chorus
